

期中專案 GitHub 設定

1. 在 github 建立靜態網站

參考資料:

2. 專案內容

The screenshot shows the GitHub repository page for 'chlai045'. The repository name 'chlai045' is circled in red, and a callout box points to it with the text: '個人網頁之網址。請複製此連結, 並填寫至 google 表格中' (Personal website URL. Please copy this link and fill it in the Google form).

Below the repository name, the file list is shown. A callout box points to the 'assets' folder with the text: '專案內容' (Project content) and '網頁內容需建資料夾做分類, 必須要有的資料夾:' (Website content needs to be categorized by folders, and the following folders are required:). The list of folders and files includes:

- assets (7 months ago)
- images (7 months ago)
- LICENSE.txt (7 months ago)
- README.txt (7 months ago)
- about.html (2 months ago)
- index.html (2 months ago)
- lab.html (2 months ago)
- left-sidebar.html (7 months ago)
- no-sidebar.html (7 months ago)
- photo.html (2 months ago)
- research.html (2 months ago)
- service.html (2 months ago)

At the bottom of the callout box, it states: '**網頁檔不用分類, 直接放在根目錄中' (Website files do not need to be categorized, they are placed directly in the root directory).

3. 開啟網址後即可看到網站首頁
